The Salk School of Science School Cell Phone & Electronic Device Policy

To create an environment conducive to learning by minimizing distractions caused by cell phones and other personal internet-enabled electronic devices, ensure the safety and focus of all students during school the school day, and follow Education Law §2803, effective August 1, 2025, all New York State schools are required to adopt a policy that prohibits the use of personal internet-enabled devices during the school day on school grounds. An "internet-enabled electronic device" is defined as an electronic device capable of connecting to the internet and enabling the user to access content on the internet. Examples of such devices include cell phones, smartphones, smartwatches, laptops, tablets, iPads, and portable music and entertainment systems.

Policy statement:

Students will not be permitted to use or access their personal internet-enabled electronic devices upon arrival at school until the end of the school day. The school day is defined as the period from the moment students **enter** the school building until the last class of the day ends, including during in-lunch (*students going out to lunch will have access to their phones until they return to the building*). The school day starts at 9:00 am (breakfast at 8:30 am) and ends at 3:20 pm. Students will be able to use school/NYCPS-issued devices during the school day.

1. COLLECTION/STORAGE

 - Students will store their locked pouches in their backpacks for the day.
 - At the end of the school day, students will unlock their pouch on the 4th/5th or ground floor.
 - They will remove their device(s) and lock their pouches before leaving the school.

- Students with approved early dismissal will be able to unlock their pouch in the office.
- In the event that a storage device, such as a pouch, is lost or damaged, students will need to pay a nominal fee.

2. EMERGENCY COMMUNICATIONS

- In case of emergency or exigent circumstances, parents or guardians can call Thomasina (school secretary) at 212-614-8785 to reach their child.

3. EXCEPTIONS

- Students are allowed to use their device if they have an individualized education program (IEP) or 504 Plan that includes use of an internet-enabled device and do not have a DOE-issued device for such purpose.
- Parents/guardians must contact Maybell Breton at 212-614-8785 or MBreton@schools.nyc.gov if a student requires an exception for reasons such as: medical monitoring/treatment s (for example to monitor blood sugar or other similar circumstances), if student is a caregiver, for approved language purposes (such as translation or interpretation services if no other means are available), or where otherwise required by law.
- The principal/designee may authorize use for an educational purpose.
- Exceptions will be processed and approved within 5 days.

4. DISCIPLINE

- Students who use electronic devices in violation of the NYCPS [Discipline Code](#), the school's policy, Chancellor's Regulation A-413, and/or the NYCPS [Internet Acceptable Use and Safety Policy](#) ("IAUSP") will be subject to progressive discipline. This means that the disciplinary responses will escalate based on the nature and frequency of the violation. As provided in the State law, a student may not be suspended solely on the grounds that the student accessed a personal internet-enabled device in violation of school policy. Repeated incidents of insubordination (i.e. refusal to surrender or store devices) **may** result in a suspension **if approved** by the Office of Safety and Youth Development.

5. OTHER: If lost or stolen

- In the unlikely event that an electronic device is stolen or damaged at school, parents can submit a claim to the Comptroller's Office. More information on submitting a claim is available on the [Comptroller's webpage](#).
