Dear Friend of The SALK School of Science:

SALK is a unique public middle school with over 400 students and families from a broad range of backgrounds. SALK was founded in 1995 as part of a collaboration between NYU Medical Center and District 2. In the past, the generosity of businesses like yours has enabled our PA to raise money necessary to provide supplies and programs that would have otherwise been cut from SALK’s school budget.

SALK’s Parent Association will be holding its Annual Auction on April 28, 2020. It is our hope that your sponsorship and/or generous donation of products or services will assist us in continuing to provide vital learning tools and programs for SALK’s talented children. Your donation will be featured on the night of the auction and additionally, will appear on the Bidding for Good / Front Stream website which will be available to the public. We will also feature your business in our PA communications. We pride ourselves in being a community that supports the businesses of our contributors, locally and nationwide.

We have taken the liberty of enclosing a donation form for you to complete. Completed donation forms can be scanned and e-mailed to: salkauction@gmail.com

or mailed to:
